

DVAMO Fall Fun Tour 2021

River Ramblings

One of the hallmarks of the DVAMO Fall Fun Tour is the scenic drives. This year's tour takes its name from our opening drive, which includes a cruise up "Long Level" on the banks of the beautiful Susquehanna River. But we haven't forgotten fun stops too, and our first one will be at one of York counties oddest structures, the Haines Shoe House. Built literally in the shape of a shoe, it now houses an ice cream shop. Ice cream for lunch?...YES! After that, we'll take a short drive to Legacy Innovations for a shop tour of this premium hot rod shop. Then, after another scenic drive, we'll wrap up our day with an early dinner at Quaker Steak & Lube in York. See the details below:

Starting Point: Samuel S. Lewis Park, 6000 Mt. Pisgah Rd. Wrightsville, PA
(Front parking lot, as soon as you enter the park)

Date: Saturday, Oct 16th **Departure Time:** 10am
